THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

W.P.No.26316 of 2005

Date:09.12.2005

R.C.M.Elementary School and others.

--------PETITIONERS

Government of A.P., and others.

---------RESPONDENTS

ORDER:

The petitioners are the private Educational Institutions admitted to grant-in-aid. Substantial number of posts in them, are admitted to grant-in-aid. In the recent past, the Government has undertaken the process of rationalization, for the purpose of identifying the surplus posts, if any, in aided schools, and to transfer the posts together with the incumbents against the existing vacancies of aided teachers of identical category in the same District. Such a process has been the subject matter of the orders passed in various Writ petitions and Writ appeals.

The District Educational Officer, Nellore, 5th respondent herein, issued proceedings, dated 23.11.2005, stating that one post each in the 1st and 2nd petitioners-schools and as many as five posts in the 3rd petitioner-school have been identified as surplus, and consequential orders have been passed, transferring the concerned teachers to other Schools. The petitioners challenge the said proceedings.

Sri B.P.Raju, the learned counsel for the petitioners, submits that the Government prescribed a detail procedure to be followed in the matter of rationalization, through its order in G.O.Ms.No.103, dated 05.08.2005, and that

though 30th September of the previous year was to be treated as the basis for ascertaining the strength for this purpose, the respondents have not followed the same. He has also placed reliance upon G.O.Ms.No.1, dated 01.01.1994, in this regard.

The learned Government Pleader for School Education, who has taken notice at the stage of admission, submits that the process of rationalization was undertaken strictly in accordance with the procedure prescribed under various Government Orders as well as the Judgments rendered by this Court. He contends that being a pure question of fact, it cannot be canvassed before this Court. He further urges that a right of appeal is provided for under Section 89 of the Andhra Pradesh Education Act, 1982 (for short 'the Act'), and that the petitioners can avail the same.

Through the impugned proceedings, the 5th respondent treated one post each in the 1st and 2nd petitioners-schools and as many as five posts in the 3rd petitioner-school as surplus and had issued the consequential orders. The process of rationalization has been taken up by respondents 2 to 5 with a semblance of vigour to ensure that the Government funds are not wasted, where the posts are not required, and fresh appointments be not made, where the vacancies exist. No exception can be taken to such an exercise. In fact, a Division Bench of this Court exhorted the respondents to undertake this exercise within a stipulated time.

Respondents 2 to 5 were under obligation to ensure that the guidelines stipulated by them for this purpose are scrupulously followed. Any deviation, in this regard, would have its own impact on the functioning of the Schools. The question as to whether the strength of students existing in the petitioners-Schools was ascertained, in accordance with the guidelines contained in G.O.Ms.No.103, dated 05.08.2005 and G.O.Ms.No.1, dated 01.01.1994, cannot be adjudicated by this Court. Section 89 of the Act provides for an appeal against the orders passed by the different authorities. The orders passed by the

District Educational Officer is appealable to the Director of School Education, 2nd respondent herein. The interests of the petitioners can be protected by directing the maintenance of *status quo* for some time.

For foregoing reasons, the Writ Petition is disposed of, leaving it open to the petitioners to prefer appeals under Section 89 of the Act before the 2nd respondent, narrating their grievances, within a period of one week from today. *Status quo* obtaining as on today shall be maintained, for a period of three weeks. The 2nd respondent shall examine the matter and in case, the appeals are not disposed of within a period of two weeks from the date of presentation of the same, he shall pass appropriate orders to protect the interests of the petitioners, till the disposal of the appeals. There shall be no order as to costs.
